

Utilities

Per the lease, tenants are responsible for **all utilities** unless advertised differently. Anything billed to us after your move in date will be billed to your account and must be paid immediately. We suggest setting up the utilities in your name two days prior to moving in as it usually takes the companies two days to switch them over. Some utility companies require a signed lease in order to turn them on in your name - you will need to schedule a time to sign your lease prior to moving in.

Please note that we do not have school, trash, or cable/internet information. We cannot set up any service for you or leave the utilities on after your move-in date.

Below are the contact numbers and websites for most of the the utility companies in Central Arkansas.

Electricity

Entergy	1.800.368.3749	www.entergy.com
First Electric	1.800.489.7405	www.firstelectric.coop
